

Every retired racing greyhound wants
A TICKET HOME
But each ticket costs \$75. The cost of a long distance haul from racetrack to waiting adoption groups in nonracing states has risen to \$2,100. A full “haul” ships 28 dogs, or \$75 per greyhound.

Here is how your tax deductible donation would work:

A TICKET HOME: \$75 donation guarantees one ticket home for a greyhound

SEND A LITTER: \$375 donation sends home five greyhounds

FILL THE WHOLE TRAILER: \$2,100 donation sends a trailer of 28 greyhounds home!

There IS a home out there for every retired racer ... if someone can finance their ticket home. Every \$75 sends another former racing greyhound home, somewhere, to the home he truly deserves.

Make checks payable to: Greyhound Pet Adoptions of Daytona Beach (or GPADB)
200 Hernandez Ave.
Ormond Beach, FL 32174

Let them know it is **A TICKET HOME**. Or donate online at www.greyhoundpetsdaytona.org, and designate **A TICKET HOME**. *The ticket's destination will be at the sole discretion of GPADB, according to the need. They decide, not the donor.*

Why Greyhound Pet Adoptions of Daytona Beach?

By long standing tradition, Greyhound Pet Adoptions of Daytona Beach pays the total cost of each greyhound's ticket home. In 20 years of transporting more than 10,000 greyhounds, the adoption groups that receive the dogs are only charged for basic pre-adoption vetting, never for the transportation of the dogs. The full Ticket Home has always been paid by GPADB. This financial burden often puts the long distance hauls at risk. Yet if the dogs can be shipped to states that do not have race tracks, there are many potential adopters waiting for a new greyhound. You can help more greyhounds get adopted with A TICKET HOME!
